MKM PARTNERS, LLC.
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2002

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

MKM Partners, LLC (the "Company"), was formed as a Connecticut Limited Liability Corporation and is wholly owned by MKM Holdings, LLC, also a Connecticut Limited Liability Corporation.

The Company is a registered broker-dealer with the Securities and Exchange Commission and became a member of the National Association of Securities Dealers, Inc. on March 18, 2002.

All transactions for the Company's customers are cleared through a carrying broker-dealer (the "clearing organization") on a fully disclosed basis. Accordingly, open customer transactions are not reflected in the accompanying financial statements. The Company is exposed to credit losses in the event customers fail to satisfy their obligations in connection with their securities transactions. As of December 31, 2002, all unsettled securities transactions were settled with no resulting liability to the Company. The Company seeks to limit risk associated with non performance by customers by monitoring all customer activity and reviewing information it receives from its clearing broker on a daily basis.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

- (a) The Company records proprietary securities transactions and related profit and loss arising from the transaction on the trade date basis. Commission revenue and related expenses are recorded on a settlement date basis. The revenue and expenses from such transactions would not be materially different if reported on a trade date basis.
- (b) The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of December 31, 2002, and the reported amounts of revenues and expenses during the period then ended. Actual results could differ from those estimates.
- (c) The Company maintains its cash in a bank account which, at times, may exceed federally insured limits.

NOTES TO FINANCIAL STATEMENT

NOTE 3 - RECEIVABLE FROM AND DEPOSIT WITH CLEARING ORGANIZATION

The receivable from clearing organization represents cash held by the clearing organization for commissions generated in December 2002 and paid in January 2003. The deposit with the clearing organization is required by the clearing agreement.

NOTE 4 - INCOME TAXES

The Company is a single member limited liability company and is treated as a "disregarded entity" for tax purposes. The Company's assets, liabilities, and items of income, deductions, and tax credits are treated as those of its member owner.

NOTE 5- RELATED PARTY TRANSACTIONS

The Company shares space, equipment and other related support with its 100% owner, MKM Holdings, LLC ("Holdings"). Accordingly, the Company had entered into a management services agreement with Holdings whereby overhead expenses including rent, administrative salaries, supplies and other services, are paid by Holdings. The Company in return, distributes its net income to reimburse Holdings for these expenses on a monthly basis. During 2002, the distributions to Holdings for the overhead expenses, as well as distributions of net income to its member, amounted to \$1,212,424.

NOTE 6 - CONTINGENCIES

The Company has provided a standby letter of credit agreement to a third party to secure a contingent liability of Holdings in the amount of \$143,721. The third party can access a money market account of the Company, if required, under the terms of the letter of credit. The letter of credit has been reflected in the net capital computation which is described more fully in Note 7 below.

NOTE 7 - REGULATORY REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital both as defined, shall not exceed 8 to 1 during the first twelve months of operation, thereafter 15 to 1. At December 31, 2002, the Company had net capital of \$435,616 which was \$335,616 in excess of the required minimum net capital at that date of \$100,000. The Company's aggregate indebtedness to net capital ratio was .02 to 1.
